

Pre-Algebra

D-Block

Agenda:

- Polynomials-Wrap up
- Test on Polynomials - Friday

To Do Now:

- Have your notebook on your desk.
- Two sheets of blank paper.
- Tomorrow.

Warm Up:

Simplify:

$$-3(x + 4) = -2x - 3$$

Nov 4-10:28 AM

Create 15 practice test problems that include the following:

1. Questions regarding classifying polynomials by degree and by terms.
2. Adding and Subtracting Polynomials
3. Multiplying Polynomials
4. Taking out the GCF of a polynomial

- Questions should be written on one sheet.
- Solutions should be written on the other.
- Do not include your name.
- Do not use problems from your notes, though you can use those as a reference. These problems should be created by you!
